

German for Foreigners – Individual Tuition

LD302

The course aims to improve understanding and conversation of the German language. It is designed for all foreign employees of Karlsruhe Institute of Technology.

There will be various classes at different levels (beginners, intermediate, advanced) due to the demand. The language school will give support and advise on which course to attend.

Participants may join the courses during the entire year.

The learning material is not included in the course fee and must be paid separately to the language school. The course will be run in cooperation with IDIOMA language school, Karlsruhe. You can get further details on the course from the school's office from Monday to Friday. Please call 0721 241 13.
